Subject: Powers Pure 110 Request for Inclusion on the Caltrans Authorized Materials List

Mr. Antoinette:

The Department has reviewed the information provided and completed our testing. Power Pure 110 satisfies the acceptance criteria for adhesive anchors and has been added to that authorized materials list.

The list available on our internet site will be updated as soon as possible. In the interim, this letter may be used as evidence of inclusion.

Please contact me if you have any questions at 916-227-8554.

Sincerely,

A handwritten signature in blue ink that reads "Craig S. Knapp".
