Dear Mr. Buckley:

This letter concerns the product T308+ (Ref: NPE 09-06-009). Your letter dated June 19, 2009 states that T308+ is manufactured by Unitex and private labeled for your company, and that T308+ is identical to ProPoxy 300 Fast.

The California Department of Transportation (Caltrans) has determined that the properties of T308+ are consistent with those of ProPoxy 300 Fast. Therefore, Powers T308+ will be added to the Caltrans Pre-Qualified Products List (PPL) for Chemical Adhesives.

Additionally, based on your letter dated August 17, 2009, Caltrans will remove your product Powers Fast Standard Set from its PPL.

Sincerely,

A handwritten signature in black ink, appearing to read "Madhusesh Raghavendrachar".
