Ms. Beth Hinkley
DeWalt/Powers Fasteners
2 Powers Lane
Brewster, NY 10509

Dear Ms. Hinkley,

Your product, DeWalt AC200+ acrylic adhesive anchoring system, **does** comply with the requirements for Chemical Adhesives, as stated in Section 1027 of the *Standard Specifications for Road and Bridge Construction* (April 1, 2016).

Therefore, DeWalt AC200+ acrylic adhesive anchoring system **is** approved for use on Illinois Department of Transportation projects.

If you have any questions, please contact Brad Rotherham of this office at (217) 782-4689.

Sincerely,

Brian Pfeifer, P.E.
Engineer of Materials
and Physical Research
