Subject: **PURE GP**

Ms. Hinkley,

MaineDOT's New Products Committee met recently and considered your request to add Pure GP to our Concrete Adhesive Anchoring Systems QPL. The Committee reviewed your certified letter dated January 15, 2016 stating that Pure GP is identical in formula to Powers Pure 50+ which is already on our QPL.

The Committee has granted your request. Pure GP has been added to our Concrete Adhesive Anchoring Systems QPL under the category of Epoxy Anchoring Materials.

We appreciate your continued interest in doing business with MaineDOT.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Gayne", written over a faint, larger version of the same signature.

Doug Gayne  
Product Evaluation Coordinator
