Re: Mn/DOT Approval of Power-Stud+ SD1

Dear Mr. Schultz:

The Minnesota Department of Transportation (Mn/DOT), Office of Materials and Road Research has reviewed the documentation you submitted for approval of Power-Stud+ SD1 Concrete Anchors. This product has been added to the "Mn/DOT Approved Concrete Anchorages" list. This approval is based on a minimum 1-1/4" diameter anchor with a minimum 6-1/2" embedment. This approval is also contingent upon satisfactory performance in the field.

Please note that it is the manufacturer's responsibility to immediately notify Mn/DOT if the product is changed or modified, or if the product is no longer being produced. If our testing determines that the product has changed, without prior notification from the manufacturer, the product may be removed from the approved product list.

All of our approved products are located on the Mn/DOT Concrete web site at <http://www.dot.state.mn.us/products/index.html>

If you have any questions or comments, please contact me at the above address.

Sincerely,

Ronald S. Mulvaney, P.E.

Re: Mn/DOT Approval of Powers PE1000+

Dear Mr. Schultz:

The Minnesota Department of Transportation (Mn/DOT), Office of Materials and Road Research has reviewed the documentation you submitted for approval of Powers PE1000+ epoxy. This product has been added to the "Mn/DOT Approved Concrete Anchorages" list. This approval is based on a minimum 1/2" diameter anchor with a minimum 4-1/2" embedment. This approval is also contingent upon satisfactory performance in the field.

Please note that it is the manufacturer's responsibility to immediately notify Mn/DOT if the chemical formulation of any product is changed or modified, or if the product is no longer being produced. If our testing determines that the chemical formulation has changed, without prior notification from the manufacturer, the product may be removed from the approved product list.

All of our approved products are located on the Mn/DOT Concrete web site at <http://www.dot.state.mn.us/products/index.html>

If you have any questions or comments, please contact me at the above address.

Sincerely,
