Dear Mr. Robert Antoinette:

Laboratory testing of your AC100+Gold, EPOXY GROUT, (Type I, Grade 3, Class B,C), has been completed and is acceptable. This material was evaluated in accordance with the 2007 New Jersey Department of Transportation Standard Specifications, subsection 909.03 (5) and MAP-114.

Please refer to test report serial #TPJZADO1265131523.

This approval is contingent upon continued compliance with our specifications. The Department reserves the right to reconsider this approval upon any changes concerning the manufacture or performance of your product. This approval may not be used for advertising or promotional purposes without the written consent of the Commissioner of the New Jersey Department of Transportation.

For any question please call to Efrain Arroyo 609-530-2318, or e-mail to Efrain.Arroyo@dot.state.nj.us

Thank you for your interest in New Jersey's transportation system.

Sincerely,

A handwritten signature in black ink that reads "H. H. Desai".
