ATTN DOUGLAS AMBROSE

Re: PEQ No. 91-206

Dear Mr. Ambrose:

Evaluation has been completed on your representative sample of Rawl Bolt, Carbon Steel Anchor manufactured by Rawl Plug Co. Inc. and submitted by Rawl Plug Co. Inc.

Your product is approved for listing in Bulletin #15, **APPROVED CONSTRUCTION MATERIALS**, under Section 1005.02(c)2. Until your product appears in Bulletin #15, this letter may be used as proof of your product inclusion in Bulletin #15.

When supplying a Pennsylvania Department of Transportation project, it is mandatory that the following documents accompany the shipment.

1. A "Certificate of Compliance" be thoroughly completed for each component shipment to the project. The enclosed uncompleted "Certificate of Compliance" Form, CS-4171, may be duplicated as needed.
2. When applicable, a copy of the pertinent mill certification and/or Certification of Compliance Form, CS-4171, for each of the following previously approved steel rod manufacturing company, the nut manufacturer, the washer manufacturer, and the galvanizer(s).
3. A statement on "CERTIFICATION OF STEEL PRODUCTS" for compliance with the "STEEL PRODUCTS PROCUREMENT ACT" No. 3 of 1978, as amended by Act 161-1982 and Act 144-1984, and for compliance with the Federal "BUY AMERICA" clause, USC 23, CFR Chapter 1 Section 635.410

Production of your approved product is subject to periodic sampling by our Quality Control Division for all certified products.

The Rawl Plug Co, Inc.
Page 2.

Any changes pertinent to the company name, plant location, manufacturing process, etc. that may occur relative to this product must be reported to this office within ten days. Changes not reported will be subjected to removal of that company's product from Bulletin #15.

If you have any questions, please contact Mr. Paul Ingram at 717-783-7670 and refer to PEQ No. 91-206.

Sincerely,

ja Charles A. Kline, P.E., Chief
Materials and Testing Division
Bureau of Construction & Materials
