Re: PEQ No. 91-205A

Dear Mr. Ambrose:

Evaluation has been completed on your representative sample of Stainless Steel Drop In Anchor manufactured by Rawl Plug Co. Inc. and submitted by Rawl Plug Co. Inc.

Your product is approved for listing in Bulletin #15, APPROVED CONSTRUCTION MATERIALS, under Section 1105.02(C)2. Until your product appears in Bulletin #15, this letter may be used as proof of your product inclusion in Bulletin #15.

When supplying a Pennsylvania Department of Transportation project, it is mandatory that a copy of the following documents accompany the shipment.

1. A "Certificate of Compliance" must be thoroughly completed for each component for shipment to the project. The enclosed uncompleted "Certificate of Compliance" Form, CS-4171, may be duplicated as needed.
2. When applicable, a copy of the pertinent mill certification and/or Certification of Compliance Form, CS-4171, for each of the following previously approved steel rod manufacturing company, the nut manufacturer, the bolt manufacturer, the washer manufacturer, and the galvanizer(s).
3. A statement on "CERTIFICATION OF STEEL PRODUCTS" for compliance with the "STEEL PRODUCTS PROCUREMENT ACT" No. 3 of 1978, as amended by Act 161-1982 and Act 144-1984, and the Federal "BUY AMERICA" clause, USC 23, CFR Chapter 1, Section 635.410.

Production of your approved product is subject to periodic sampling by our Quality Control Division for all certified products.

Any changes pertinent to the company name, plant location, manufacturing process, etc. that may occur relative to this

product must be reported to this office within ten (10) days. Changes not reported will be subject to removal of that company's product from Bulletin #15.

If you have any questions, please contact Mr. Paul Ingram at 717-783-7670 and refer to PEQ No. 91-205A.

Sincerely,

Charles A. Kline, P.E., Chief
Materials and Testing Division
Bureau of Construction & Materials
