2 Powers Square
New Rochelle, NY 10801
Attn.: Ray Williamson

Re: PEQ No. 00-274

Dear Mr. Williamson:

Evaluation has been completed on your Wedge Bolt Anchoring System manufactured by Powers Fasteners, Inc.

Your Wedge Bolt Anchoring System is approved for listing in Bulletin #15, Approved Construction Materials, under Section Miscellaneous Anchoring Devices. Until your Wedge Bolt Anchoring System appears in Bulletin #15 this letter may be used as proof of your product's inclusion in Bulletin #15.

When supplying a Pennsylvania Department of Transportation project, it is mandatory that a copy of the enclosed "Certification of Compliance" be thoroughly completed for each shipment to the project and distributed as directed. The "Certification of Compliance" form CS-4171, may be duplicated as needed.

All certified products are subject to periodic sampling by our Quality Assurance Division.

Any changes pertinent to the company name, plant location, manufacturing process, etc. that may occur relative to this product must be reported to this office within ten (10) days. Changes not reported will be subject to removal of that company's product from Bulletin #15.

If you have any questions, please contact Dave H. Kuniega at 717-787-3966 and refer to PEQ No. 00-274.

Sincerely,

Gerald J. Malasheskie

Gerald J. Malasheskie, P.E., Chief
Materials and Testing Division
Bureau of Construction and Materials
