Powers Fastening, Inc.
2 Powers Square
New Rochelle, NY 10801
Attention: Ray Williamson

Re: PEQ No. 98-128

Dear Mr. Williamson

Evaluation has been completed on your representative sample of Powers Rawl Hammer Capsule manufactured by Powers Fastening Inc.

Your Powers Rawl Hammer Capsule is approved for listing in Bulletin #15, Approved Construction Materials, under Section 105.02(c)2. Until your Powers Rawl Hammer Capsule appears in Bulletin #15, this letter may be used as proof of your product's inclusion in Bulletin #15.

When supplying a Pennsylvania Department of Transportation project, it is mandatory that a copy of the enclosed "Certification of Compliance" be thoroughly completed for each shipment to the project and distributed as directed. The "Certification of Compliance", form CS-4171, may be duplicated as needed.

All certified products are subject to periodic sampling by our Quality Assurance Division.

Any changes pertinent to the company name, plant location, manufacturing process, etc. that may occur relative to this product must be reported to this office within ten (10) days. Changes not reported will be subject to removal of that company's product from Bulletin #15.

If you have any questions, please contact Jeffrey A. McMaster at 717-783-2559 and refer to PEQ No. 98-128.

Sincerely,

A handwritten signature in blue ink that reads "Roger L. Apple".

Roger L. Apple, P.E., Acting Chief
Materials and Testing Division
Bureau of Construction & Materials
