Epoxies and Adhesives

The following products have met the requirements of DMS 6110, "Quality Monitoring Program for Epoxies and Adhesives."

The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. The Materials & Tests Division (MTD) reserves the right to test samples to verify compliance with DMS-6100, "Epoxies and Adhesives."

For more information, contact MTD's Rigid Pavements and Concrete Materials Section at (512) 506-5872.

Pre-Oualified Producers of	Epoxies and Adhesives – Type II
----------------------------	---------------------------------

		cers of Epoxies and Adries			-
