Re: Powers Fastener's Pure GP Epoxy Injection Adhesive Anchoring System

Dear Ms. Hinkley,

The Virginia Department of Transportation has evaluated Powers Fasteners Pure GP as a chemical anchor fastening system. This product has met the requirements to be put on our approved list No. 29 for Chemical Anchors. Powers Fasteners Pure GP must also meet our field requirements when used on the job site.

For this product to remain on Approved List No. 29, each year in November, Powers Fasteners, Inc. will have to send Materials Division a notarized letter stating that the original formula has not changed.

Product:
Pure GP

Manufacturer:
Powers Fasteners

Description:

The Pure GP is a two-component adhesive anchoring system. Pure GP is designed for bonding threaded rod and reinforcing bar hardware into drilled holes in solid concrete base materials. See manufacturer's instructions for uses and applications.

If I can be of further assistance, please call me at (804) 328-3135.

Sincerely,

A handwritten signature in cursive script that reads "K. K. Williams".

Keith Williams
